

**WASHINGTON** – Today, Congressman John B. Larson (CT-01) introduced H.R. 12, President Obama's [American Jobs Act](#) . The text of the bill is attached.

Larson released the following statement:

“The President has drafted a plan that is focused on what the 14 million Americans who are out of work know they need – the simple dignity of a job. He deserves a vote on his plan in as timely a fashion as possible because those 14 million Americans can't wait the 14 months until the next election for this to be resolved.”
